August 12, 2008

The Hilton Garden Inn Jacksonville/Ponte Vedra in Ponte Vedra, Fla., has announced an all-inclusive, per-person small meetings package that it says will help meeting planners and attendees alike cope with rising inflation and the declining economy.

Available for meetings up to 40 people, the *Small Meetings Package* costs just \$149 per person and includes:

- Deluxe guest room accommodations
- Meeting room rental, complete with linens, tables and chairs
- Audio/visual equipment
- Wireless high-speed Internet access
- A continental breakfast that's served in the meeting room
- An afternoon refreshment break

"We're attuned to the industry's need to maximize budget and saw a way to make things easier by offering an all-inclusive meetings package that is priced per person," Christopher L. Hill, CHSP, director of sales for the hotel, said in a statement.

The *Small Meetings Package* is available for meetings booked prior to Dec. 31, 2008, and actualized at any future date. For more information, call 1-866-766-8382.
