Hyatt Place Celebrates Opening with a "Third Night Free"

H Hyatt Place Orlando/Lake Mary opened their doors to guests this fall, welcoming both leisure and business travelers. The four-story hotel, located near I-4 and Lake Mary Blvd., was inspired by the changing needs of today's contemporary, multi-tasking travelers' 24/7 lifestyle. The hotel combines contemporary design with innovative services and thoughtful amenities to create an atmosphere of casual hospitality.

Each of the hotel's 128, well-appointed rooms is furnished with a signature Hyatt Grand Bed, an eight-foot Cozy Corner sleeper-sofa, an oversize desk and ergonomic chair, and complimentary WiFi. Every room is outfitted with an innovative Hyatt Plug Panel, allowing guests to connect their own portable devices, including laptops, MP3 and DVD players to a 42-inch flat-panel HD television.

Perfect for the Season

Hyatt Place Orlando/Lake Mary offers more than 2,000 sq. ft. of function space, ideal for intimate events. Whether for professional or personal holiday gatherings, two meeting/banquet rooms, plus an executive boardroom, and a Hyatt Place Meeting Host dedicated to managing the last details, will ensure your event is a success.

Now until December 31, 2008, Hyatt Place Orlando/Lake Mary gives guests who book two nights a third night's stay free.
